Minutes from the October meeting

On October 3rd, 22 members of the Capitol City Carvers Club met at the Mickle Middle School.

The first item on the agenda was a program presented by Mark Entzminger, a wood turner. He showed us the different tools that he uses. He explained the different quality of tools and the woods that he likes to use. He likes to make bowls from common woods. He also had an air carver that he uses to do fine carving and write his name.

It was a very enjoyable program.

Treats were served by the Bowlby's and Barry Daffer, thanks so much. The table had a beautiful fall decoration. And thank you to Gerald for setting up the table and making coffee.

Julie gave a treasurers report. She deposited \$95.00, and had \$500.00 in expenses.

Bruce Kennedy will be doing a Viking caricature class on Wednesday nights. If interested you can call him or sign up at the meetings.

John Englers relief carving class will be November 11 - 12. Sign up by calling Dick Duba or at Wednesday night meeting.

**Respectfully,
Mary Jo Wolf, secretary**
