Minutes from the February meeting

The Capitol City Carvers met on February 6th, 2017 at the Mickel Middle School Library with 13 members and guest present. It was a very small crowd because the weather was not good.

We had a very nice program presented by the Raptor Recovery organization from Fontenelle Forest. They brought live birds. They talked about the birds and how they come to the recovery center. They brought a Great Horned Owl, Kestrel and Barn Owl. They are very beautiful birds and it was a very interesting program.

President Barry thanked Julie and Natalie for the treats and Gerald for making the coffee.

Julie gave a treasurers report. There were expenses of \$100.00 for gift certificates and she deposited \$95.00 for dues.

Barry asked if anyone would be interested in doing an article for the 55 Plus newsletter. Contact Barry or Julie.

Also we need members to sign up for the Legacy Shows.

The Homestead Show will be June 22 - 24. You need to sign up by March 1st. See Wayne Ficke.

Bill Thomas won the gift certificate.

It was decided to donate to the Raptor Recovery Organization.
